

# Photography Walk & Workshop

Find inspiration in nature through photography

**Who** Shutterbugs and photographers of all ages and abilities. Bring your camera (any type) and a tripod if you have one.

**What** Join a ranger/photographer for an easy walk to find some of the park's best photography spots. You'll become familiar with the park's plants, animals, and natural scenes while you learn how to use your camera to best capture your memories.

**When** Saturdays from 9:30 to 12:00 noon through Saturday, September 4. Photography subjects will vary from week to week; come as often as you like!

*The walk will be cancelled if it is raining.*

**Where** Meet at Dingmans Falls Visitor Center. We will then drive (caravan) to a nearby location.

Wear sturdy shoes and bring drinking water and bug spray.

**How** There is no charge for the workshops, *but reservations are requested*. There is a limit of 20 per workshop.

Call Dingmans Falls Visitor Center at (570) 828-2253 for further information and to reserve your place.
